

# HOPE HAPPENINGS

## BOYS HOPE GIRLS HOPE OF SOUTHERN CALIFORNIA

### SCHOLAR HIGHLIGHTS

We are very excited to highlight one of our Girls House middle school scholars! She has been putting in a lot of hard work this year, which has paid off! She maintained a 4.00 GPA for the entire first quarter, which led to her receiving High Honor Roll! We could not be more proud of her and all her hard work! She was also named Scholar of the Month for September for her hard work at school and ability to stay on top of her chores and house duties! We are so proud of her for working hard and putting her best foot forward every day.

### FALL ACTIVITIES

Our scholars at Boys Hope Girls Hope have been hard at work starting off the school year and Fall sports! We are so proud of their commitment and strong work ethic towards school and sports already displayed this academic year.

The Football team has had an amazing season so far and has worked hard to keep the winning streak up.

We celebrated one of our scholars' 15th birthday with a yummy Max and Ruby-inspired cake made by one of our wonderful residential counselors.

We got in the Halloween spirit by having pumpkin painting nights at both houses! The scholars had a blast showing off their creative sides and relaxing while painting!

We ended October by celebrating the Day of the Dead. It was a wonderful way to grow connections and continue with important traditions to our scholars.

# On the Path to Success: Update on Our Scholars' Goals

Our scholars at Boys Hope Girls Hope have had a great start to the school year, and we are so proud of them and all their hard work! We checked in with them to see their progress toward the goals they set before the start of the school year and to see if there were any new ones!

- Angel has kept his grades up and has been doing great on the football field!
- Gabe has been working hard to get As and wants to continue pursuing that goal.
- Noe has been doing well with his studies. He wants to stay on track and finish the semester strong.
- Giselle found some new study methods and earned Honor Roll! She plans to try to finish the second quarter with a 4.0.
- Jadelyn aims to feel more confident in her Math skills and find new study methods.
- Jazmin has used her planner to stay on top of her assignments.
- Jadeley wants to make the soccer team and finish the quarter with a 4.0.
- Karla has been working hard on her procrastination and aims to keep her grades up.

Our fantastic staff and counselors have been working very hard to help our scholars reach these goals and keep up with all their work this school year. Their support in the homes and with their studies has helped our scholars find so much success. We are excited to see what will come for the rest of the school year!

Boys Hope Girls Hope scholars have excelled in their academic pursuits and express heartfelt gratitude to our esteemed board members and generous donors for their contributions towards a HOPEFUL future.
