- Sperry Equity
- The Compean Family
- Waterford Property Companies

Boys Hope Girls Hope is a long-term housing and academic scholarship program for at-risk youth. Our organization provides up to eight years of family-style housing for children and teenagers between the ages of 10 and 18 in two boarding homes in Orange County, CA. We also give the children in our program scholarships to college preparatory high schools and universities of their choosing when they graduate. Unlike other housing programs, we emulate the traditional family structure and put emphasis on education and long-term care. Where other homes act as emergency shelters, transitional living or housing for individuals with criminal records, Boys Hope Girls Hope provides a true home, nurturing environment, quality education and long-term stability. College is an expectation and we provide everything a child needs to get there. We are the chance that children need to overcome their adversities.

For more information, call (949) 515-8833 or visit www.bhghsocial.org.

26th ANNUAL
BOYS HOPE GIRLS HOPE
Golfers Classic
AT PELICAN HILL GOLF CLUB

SPONSORSHIP PACKET
WEDNESDAY, MAY 6th, 2020

Sponsorship Opportunities

Sponsorship for the Boys Hope Girls Hope Golfers Classic gives you much more than a round of golf. Sponsors and their guests receive gifts of their choosing, a gift bag full of useful items, tee prizes, a round of golf, breakfast, on-course lunch, hosted cocktails, and a gourmet dinner. All sponsors receive recognition on signage on the course, at our dinner, during our awards ceremony, as well as in our program materials and website.

If you are unable to join as a sponsor this year, you can still help as an underwriter! Underwriters receive special recognition on signage at the event, on our website and in our tournament program. Please see the attached list of underwriting opportunities. Your generosity makes a world of difference in the lives of our scholars who, with your support, have the opportunity to achieve their dreams, and become self-sufficient adults. On behalf of Boys Hope Girls Hope of Southern California, we thank you for your time and consideration in sponsoring our event.
