1,195

SERVED IN THE 2016/2017 SCHOOL YEAR

Outcomes

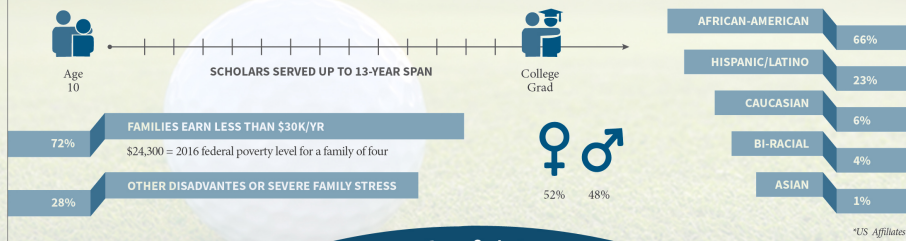

OF BHGH HIGH SCHOOL GRADUATES
99% go to college

OF BHGH COLLEGIANS
90% annually persist toward degree

SINCE 2000

300+ are college graduates

BOYS HOPE GIRLS HOPE
OF SOUTHERN CALIFORNIA

Boys Hope Girls Hope is a long-term housing and academic scholarship program for at-risk youth. Our organization provides up to eight years of family-style housing for children and teenagers between the ages of 10 and 18 in two boarding homes in Orange County, CA. We also give the children in our program scholarships to college preparatory high schools and universities of their choosing when they graduate. Unlike other housing programs, we emulate the traditional family structure and put emphasis on education and long-term care. Where other homes act as emergency shelters, transitional living or housing for individuals with criminal records, Boys Hope Girls Hope provides a true home, nurturing environment, quality education and long-term stability. College is an expectation and we provide everything a child needs to get there. We are the chance that children need to overcome their adversities.

For more information, call (949) 515-8833 or visit www.bhghsocal.org.
