22 Collegian

1,195

SERVED IN THE 2016/2017 SCHOOL YEAR

## Outcomes

OF BHGH HIGH SCHOOL GRADUATES

99% go to college

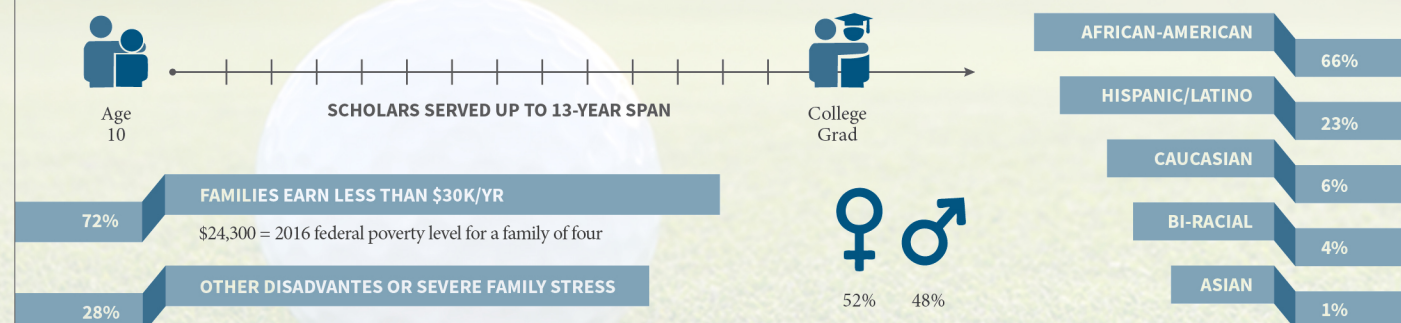

OF BHGH COLLEGIANS

90% annually persist toward degree

SINCE 2000

300+ are college graduates

Boys Hope  
Girls Hope

Boys Hope Girls Hope is a long-term housing and academic scholarship program for at-risk youth. Our organization provides up to eight years of family-style housing for children and teenagers between the ages of 10 and 18 in two boarding homes in Orange County, CA. We also give the children in our program scholarships to college preparatory high schools and universities of their choosing when they graduate. Unlike other housing programs, we emulate the traditional family structure and put emphasis on education and long-term care. Where other homes act as emergency shelters, transitional living or housing for individuals with criminal records, Boys Hope Girls Hope provides a true home, nurturing environment, quality education and long-term stability. College is an expectation and we provide everything a child needs to get there. We are the chance that children need to overcome their adversities.

For more information, call (949) 515-8833 or visit [www.bhghsocal.org](http://www.bhghsocal.org).

27th Annual  
Virtual Golf Event  
TUESDAY, JUNE 1<sup>ST</sup>, 2021

with  
**GRAEME MCDOWELL**  
The 2010 U.S. Open Winner

Sponsorship Opportunities

The COVID-19 Pandemic is still preventing us from having our usual Golf Tournament. So, this year we've reach out to Professional Golfer and 2010 U.S. Open winner, Graeme McDowell, for a virtual event.

If you are unable to join us for the event, you can still help as an underwriter! Underwriters will still receive recognition at the event, on our website, and our tournament program.

Your generosity brings stable homes and educational opportunities to young men and women without the means to reach their potential. On behalf of Boys Hope Girls Hope, thank you so much for your time and consideration in sponsoring our event!
