# SPONSORSHIP OPPORTUNITIES

The Dalai Lama believed that when educating the minds of our youth, we must not forget to educate their hearts.

Here at Boys Hope Girls Hope our mission is to nurture and guide motivated young people in need to become well-educated, career-ready men and women for others. The scholars we support are the future. They are our future leaders, doctors, and role models, such as yourselves. The promise of Boys Hope Girls Hope is in many ways embodied by individuals such as yourselves. The work we do is important, but we cannot achieve it alone. We need community. When people come together with a shared purpose and passion there is nothing we cannot achieve.

Our mission relies heavily on events such as our 2023 Evening of Hope. It is an aptly titled event. We are hopeful. We are also grateful and humbled. These few words cannot fully describe how important your support will be in the lives of our scholars. The lessons they learn are not just from textbooks and schoolteachers. They are also learning the value of generosity and kindness from individuals such as yourselves. Please take a moment to look through our sponsorship opportunities. Your investment enables us to provide housing, education, and kinship to those who need it most.

Please reach out to me if you have any questions. I look forward to hearing from you.

Thank you for your consideration.

Sincerely,

*Quinn Tran,*

Executive Director,  
Boys Hope Girls Hope of Southern California

This epic and uplifting story has become one of the most celebrated musicals in theatrical history.

The magnificent score of Les Misérables includes the songs “I Dreamed a Dream,” “On My Own,” “Bring Him Home,” “One Day More,” “Master of the House” and many more. Seen by over 130 million people worldwide in 53 countries and 22 languages, Les Misérables is undisputedly one of the world’s most popular musicals.
