SCHOLAR HIGHLIGHTS

This summer, we're super excited to highlight our youngest scholar, who has been busy racking up some awesome achievements!

First up, he attended Junior Guard class and totally rocked it! Not only did he learn all about water safety and rescue, but he also earned a certificate to show for it. He's now equipped with some serious life-saving skills and a big sense of responsibility.

But that's not all! He also pedaled his way through a bicycle education class. After mastering road safety, bike maintenance, and fitness, he proudly earned his certificate of completion. Way to go!

We couldn't be prouder of his fantastic accomplishments this summer. Keep shining! Your hard work and enthusiasm are totally inspiring and we can't wait to see what you do next!

SUMMER ACTIVITIES

Our scholars at Boys Hope Girls Hope are having a blast this summer! The football team has been busy running drills at school, staying sharp and ready for the season.

When they're not on the field, our scholars are soaking up the summer vibes at home with family and friends. Beach trips have been a hit, with plenty of sun, sand, and smiles.

But the real highlight? A magical trip to Disneyland, thanks to a super generous donor at our Annual Golfer Classic Event. Our scholars had an absolute blast riding all the rides, munching on churros and cotton candy, and just having a great time. They even had a slumber party to top it all off!

A huge thank you to our amazing board and donors for making these unforgettable experiences possible. You rock!
