

SCHOLAR HIGHLIGHTS

Kudos to our scholars for their remarkable academic achievements! They earned an Honor Roll award, a Principal's award for their impressive vocabulary, and a second Principal's award for their excellent work in rates and ratios. We're incredibly proud of all of you. Keep up the fantastic work!

ACTIVITIES

This winter was full of exciting and memorable activities for the scholars. They had a wonderful time ice skating, with some trying it for the first time and others showing off their skills. They also enjoyed making their own pizzas and learning how to manage their time better. They got to see how they could balance their different priorities and make adjustments. Finally, they joined a yoga wellness class that taught them about movement, mindfulness, and mental health which was very well received. Our scholars loved it! We are grateful to upliftyouth.org for partnering with us!

Boys Hope Girls Hope scholars have excelled in their academic pursuits and express heartfelt gratitude to our esteemed board members and generous donors for their contributions towards a **HOPEFUL future.**

Hats off to our senior scholar for securing acceptances to the following colleges:

Colorado State University

Cal State East Bay

Cal State Fresno

Cal State Fullerton

Cal State Monterrey Bay

Cal State North Ridge

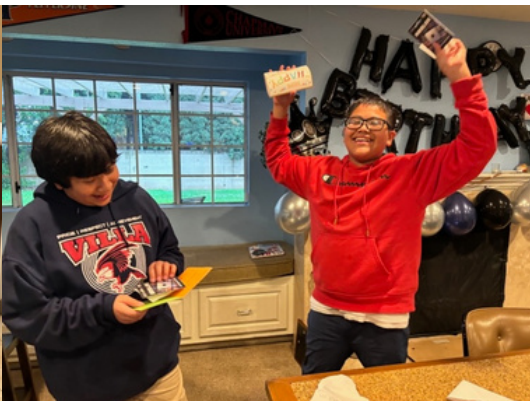

Cal State San Francisco

Cal State San Marcos

Waitlisted

Cal State Long Beach

We are so incredibly proud of your achievements.

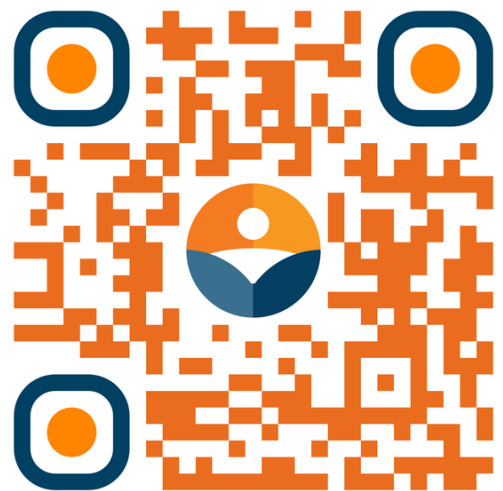

WISHLIST

The scholars have a dream of visiting a national park and exploring the wonders of nature. It would be a great opportunity for them to bond as a group and learn about the great outdoors!

They also wish for some cool LED lights to brighten up their learning spaces and rooms. The girl scholars are passionate about makeup and have fun trying out different looks on each other. They would love to have some fun quality makeup to experiment with.

The scholars also hope for a mural at their house, a mural that reflects their journey and beauty.

HOW TO HELP

Scan the QR code to make a donation and contribute to fulfilling our scholars' wish lists!
